

15 Step Blueprint to Financial Success

Are you ready to stop daydreaming about all the amazing things you'll do once you're in the money, and finally begin seeing your life transform right before your eyes?

If you'd like to stop battling all the "inner adversity" that's keeping you stuck, stop sabotaging your success, and finally unlock YOUR INNER MILLIONAIRE, then the Blueprint to Financial Success is for you.

In order to create financial wealth, you have to identify "how did you get where you are financial". Most financial behaviors are learned as children. We often "inherit" our parents' behavior around money.

Part 1: Childhood Memories: How did you get here?

- What are your earliest childhood memories surrounding money?
- Is the memory accurate?
- What behavior did you learn?
- What behaviors did you adopt as a result of this?
- Was money a source of conflict growing up?

Part 2: Habits that sabotage your success with money

- What sentence best describes how you feel about wealth?
- What was the most time-wasting habit or activity I did during the last 12 months? What can I do differently in the next 12 months to minimize or eliminate this?
- What has made me upset, stressed or fearful during the past 12 months? Why?
- What has not gone well? What was your contribution? Are you responding to past experiences, shame or guilt?

Knowing what you want to achieve is necessary. Achieving your goals depends on whether or not you take action. Knowing "why" you want something will help you determine the steps necessary to achieve the "what" you want.

Part 3: What do you want and why?

- What's your ideal day? Why?
- Pick one element of your ideal day to start incorporating into your present day reality for 40 days. Start Now.
- What negative feelings/emotions are holding you back? How can you make "peace" with these feelings/emotions?

Part 4: Steps on a Journey of a lifetime to creating wealth

- List 3 things that you are grateful for.
- Pay it forward – send an e-mail or a hand-written note that praises or thanks someone that has given you support, uplifted your spirits or provided help to you.
- What can you do or give now as an "covenant" or commitment to Spirit for manifesting your dreams?
